# DOSSIER DE HALLS

We have four versatile spaces located in Barcelona. Perfectly equipped for cultural events, we are committed to guaranteeing professional results.

*All rooms also have bar service and, as stated in our policies, catering service at our expense. Let's get this party started!*

# INUSUALPROJECT

Carrer de la Paloma 5, Raval

**CAPACITY:** 50 pax

**General features:** Artistic space with its own character in the heart of El Raval. Ideal for medium-format exhibitions with a higher audiovisual load. Allows professional audiovisual projections. An underground space for truly intense events.

\*If the exhibition is put up for sale for a set period, the venue takes a 15% commission on the retail price.

# SALA OFF

Carrer de Nàpols 305, Eixample

**CAPACITY:** 50pax

**General Features:** Modern exhibition space ideal for medium-sized exhibitions with audiovisual content. It also supports professional video projections. A more intimate space that encourages synergy and informal discussions between artists in the sector.

If the exhibition is on sale for a specific period, the venue takes a 15% commission on the retail price.

# SALA OR

Carrer de l'Or 25, Villa de Gràcia

**CAPACITY:** 100pax

**General Features:** A more theatrical space. Ideal for large-format exhibitions with a high photographic content. Suitable for audiovisual projections as visual support. A perfectly equipped space in the heart of bohemian Gràcia, where your work will shine in a highly professional manner.

# CLUB STA. MARIA

*La sala más cavalla*

Carrer de Joaquín Costa 37, Raval, Barcelona

**CAPACITY: 80 pax**

**General features:** Cocktail club with a space equipped for photographic exhibitions and project presentations. A transgressive room, ideal for projects with a high social impact. We reserve it for projects with an LGBTI+ theme.

Please check conditions if the exhibition is to remain installed for a certain period of time, as special conditions apply.

# DISPLAY PACKAGES

At KM Productions, we offer solutions tailored to different exhibition and projection formats, with a modular approach that is visually striking and technically refined. Our packages are designed to facilitate the production of visual events at different levels of complexity, always with impeccable aesthetics and a technical team at your disposal.
